

JANE'S JELLY FUND

Dear Families of our School Community,

As Jane steps away, we want to recognise what she leaves behind: a creative and inclusive school that our children experience every day.

Times of change bring uncertainty, but the spirit of our school community can remain unchanged. It's in that spirit that we introduce JANE'S JELLY FUND, a new PSA initiative to support everyday joy in the classrooms.

JANE'S JELLY FUND is not about replacing what the school provides. Instead, it is about funding the extras – the materials, experiences, and creative moments that make learning sparkle and support teachers to go beyond what tight budgets allow.

Thanks to families who already give through the PSA's direct debit scheme along with community events, we've been able to fund STEAM WEEK and ART WEEK materials, food and guest speakers for BLACK HISTORY MONTH, and ensure every child in Year 6 could take part in the RESIDENTIAL TRIPS.

JANE'S JELLY FUND builds on this success by creating a shared pot that benefits every classroom.

We also want to be clear about what JANE'S JELLY FUND is and isn't:

- Giving is entirely voluntary
- Contributions are pooled and shared equitably, so all classrooms benefit
- No child, class, or family is ever singled out based on giving
- Donations support enhancements, not essentials

For many families, time is their contribution through volunteering or by showing up. JANE'S JELLY FUND offers a simple way to support the school, even if time is limited.

So, why now? Because moments of change remind us how important continuity is. JANE'S JELLY FUND is a way for us to sustain the community Jane helped build.

Contributing monthly, even a small amount, will make a difference. Scan the QR code to get started.

Thank you, as always, for the many ways you support Millfields.

Alessandra and Sheena
Co-Chairs, Millfields Community School PSA
